

## AVAILABILITY OF MANAGEMENT PLANS

### LOCKPORT TOWNSHIP HIGH SCHOOL DISTRICT 205

The Asbestos Management Plan for District 205 is located in each one of our four buildings.

**Central** is located at 1222 S. Jefferson Street, Lockport IL. The plan is located in the office of the maintenance department. The maintenance foreman Dave Oldham has a copy of the plan. If you wish to review the plan, please contact the maintenance foreman at 815 588-8622.

**District** is located at 1323 E. Seventh Street, Lockport IL. The plan is located in the office of the Director of Facilities, William Thompson. If you wish to review the management plan, please contact the Director of Facilities at 815 588-8116.

**East** is located at 1333 E. Seventh Street, Lockport, IL. The plan is located in the office of the Building Supervisor, Mike Ryan. If you wish to review the management plan, please contact the Supervisor of Buildings at 815 588-8422.

**Transportation** is located on the corner of Farrell and Division, Lockport, IL. A copy of the 3-year inspection is located in the transportation building. Frank Popek, the Supervisor of Transportation has a copy of the re-inspection. If you wish to review the management plan, please contact William Thompson at 815 588-8116.

If you have any questions about asbestos or need additional information, please feel free to contact William Thompson at 815 588-8116.
