

## Lockport Township High School District 205

Dear LTHS Staff Member,

As a member of the LTHS Family you have the opportunity to donate to the LTHS Foundation via payroll deduction. The Lockport Township High School District 205 Foundation generates much needed funds to assist teachers and students with academic pursuits. The Foundation has been able to provide scholarships for students and mini-grants for teachers. We hope to expand these opportunities. Please consider donating to the LTHS Foundation as an investment in the future!

Similar to the United Way contributors, we will randomly select one name per month from the list of Foundation donors and award a “free” day off for that month. The drawings will begin September 1<sup>st</sup>. Please return the pledge form below to Business Office – Payroll Department as soon as possible to be eligible for the drawings. Thank you and good luck!

Sincerely,

*Garry W. Raymond, Ph.D.*  
Superintendent

*Kim Brehm*  
Foundation Director
