

Lockport Township High School District 205

2011-12

Global Compliance Network

Tutorial Training & Timelines

The below schedule identifies the Compliance Training tutorials on training cycle for the 2011-12 school year along with the recommended timeline for each tutorial. These tutorials identified for training consist of annual and biennial training mandated by Illinois School Code and Board Policy, in addition to tutorials selected for general staff development. Instructions for accessing the Global Compliance Network and accessing the tutorials are available under the Personnel Office link via the District 205 tab on the main page of the district website. Please contact the Personnel Office at ext. 8104 with any questions.
