

The LTHS District 205 Board of Education has adopted the recommendation of the research team to implement a modified staggered slide schedule for school year 2009-2010. Additional schedule changes will be made in the years that follow, depending upon student enrollment growth.

What Does This Mean For Our Students?

The graph below illustrates how these changes will affect our students' daily schedules:

School Year	Schedule Overview	Additional Information
2008-2009	<p>4000 students between both campuses</p> <p>Voluntary Early Bird program will be expanded</p> <p>200+ sophomores will be bused to Central until Early Bird students are dismissed</p>	<p>200+ students will be cleared from the crowded hallways and classrooms at East Campus for part of the school day</p>
2009-2010 until student population is projected to reach 4250	<p>Staggered Slide Schedule (Option B)</p> <p><u>Freshmen and Sophomores:</u> 8:44 a.m.-3:44 p.m.</p> <p><u>Juniors and Seniors:</u> 6:44-12:40/1:40 p.m.</p>	<p>Enrollment growth will be assessed annually to ensure that the staggered slide can still be effectively implemented</p> <p>Two bus runs will be necessary at different times in the day as a result of the staggered start times</p> <p>Athletic and co-curricular scheduling challenges will be studied and a plan will be developed</p>
Approximately 2013-2014	<p>True Split Schedule</p> <p>Half the students will attend in the morning, half in the afternoon</p> <p><u>Tentative AM shift:</u> 6:30 a.m.-11:55 p.m.</p> <p><u>Tentative PM shift:</u> 12:20 p.m-5:45 p.m.</p>	<p>This schedule will be implemented when student enrollment is projected to reach 4250</p> <p>Policy for the division of students into morning and afternoon sessions will be developed</p> <p>Plan to fundamentally restructure athletic and co-curricular programs will be developed</p> <p>Potential to close Central Campus</p>
