August 2010

Dear Parents and Guardians:

Lockport Township High School is proud to announce an opportunity for you and your student to learn together about the expectations of their teachers for the coming year. Curriculum Night for the Freshman Center is scheduled for Thursday, August 26, 2010. Our goal for the evening is to improve communication between school and home. Curriculum Night will give you an opportunity to meet your student's teachers and learn about curriculum, goals, and expectations for each course. Specific topics will include:

- what your student will learn in class
- how learning will be assessed or measured
- what to do if your student needs instructional help

Due to the special nature of this evening, we would ask that both you and your student attend. Your student will be able to assist you in locating classrooms. Please have your student bring his or her schedule along to Curriculum Night.
