September 2011

Dear Parents and/or Guardians:

During the past several weeks, one of our primary goals has been to establish proactive and ongoing communication between school and home. As we said during Freshman Orientation and again at Curriculum Night, communication between school and home is an essential way to promote successful academic achievement.

On Thursday, September 15th, Lockport Township High School will hold Parent/Teacher Conferences from 6:00 – 8:00 p.m. Ten-minute sessions will be available for parents to discuss the academic progress of their child with one or more teachers. These sessions are encouraged especially for parents whose child is not achieving academic success.

Conferences may be scheduled in two ways. First, teachers may be calling to request conferences with you. Second, you may call Central Campus at (815) 588-8290 on September 8th and 9th from 8:30 a.m. – 3:00 p.m. to set up an appointment. To ensure that beneficial conferences can take place, appointments must be made.

We look forward to continuing to work with you to ensure the success of our newest students.

Sincerely,

Kerri Green
