

# Summer 2011

## Reading/Summer Assignments

The courses listed below require reading and/or summer academic work to be completed by the student by the start of school on Tuesday, August 16, 2011.

Click below on the appropriate department located in the left-hand menu to find the specific course readings and assignments. If the links below do not work you may find the specific reading and summer work assignments available through the LTHS school website at [www.lths.org](http://www.lths.org), by clicking on **ACADEMICS** found in the menu bar at the top of the page and choosing the appropriate department located in the right-hand menu.
