Today, a specific threat was anonymously phoned into the voice mail system at Lockport Township High School.

In light of recent developments last week and yesterday at Central Campus, we are taking preventive measures and dismissing all students today at 9:15 a.m. Both Central and East Campuses again will be searched by Lockport police to ensure the safety of our students and staff before resuming a normal school schedule.

To heighten security at both LTHS campuses, beginning tomorrow students will be prohibited from carrying backpacks, water bottles and other containers throughout both campuses. Other preventive measures will include limiting hall passes and increased monitoring in all hallways, classrooms and common areas.

It is imperative to remind all students at this time if they have any information regarding today's threat or the events at Central Campus on Monday, they need to report it to their Dean or the Lockport police.
