Mission Statement

Lockport Township High School District 205 will create a nurturing and challenging environment in which all students achieve success, develop personal responsibility, and become lifelong learners. We will promote a partnership with students, parents, businesses, and community; utilize effective teaching methods and current technology; and provide quality, comprehensive academic, career, and extracurricular experiences.

District 205 Profile

Lockport Township High School District 205 has the advantage of a storied history and a brilliant future. Central Campus has been enriching students since 1909 and today is the home of freshman students. The addition to East Campus, along with the technological upgrades that followed, gives students an unparalleled opportunity to utilize the most cutting-edge technology available. This mix of historic significance and futuristic technology to which students are exposed at our campuses provides them a unique advantage not available in other districts: two distinct buildings with the same goal of creating a nurturing and challenging environment in which all students achieve success.

Lockport Township High School District 205 is a four-year comprehensive high school district with an enrollment of 3,900 students in grades 9 through 12. Classes are conducted in two buildings: East Campus and Central Campus. The Lockport program is founded upon the 5 A's: academics, arts, applied academics, activities and athletics. With a 1:1, college preparatory program for all students, Lockport Township High School District 205 has been recognized by The Washington Post and U.S. News and World Report as one of the top high schools in the United States for effectively preparing students for college.

Lockport Township High School District 205 is located 35 miles Southwest of Chicago. It is an area that encom-

Curriculum

Lockport Township High School District 205 offers a comprehensive secondary school curriculum which includes: College Preparatory Courses, Career/Technology Courses, Advanced Placement Courses, and Honors Courses. A 1.0 credit class meets over the entire year. See reverse side for specific graduation requirements.

Advanced Placement (AP) course offerings include: Biology, Calculus AB, Calculus BC, Chemistry, Computer Science Principles, English Language and Composition, English Literature and Composition, European History, French Language, German Language, Government and Politics: United States, Human Geography, Macroeconomics, Music Theory, Physics 1, Physics 2, Physics C: Mechanics, Psychology, Spanish Language, Spanish Literature, Statistics, Studio Art: 2-D Design, Studio Art: 3-D Design, Studio Art: Drawing, and United States History.

Honors course offerings include: Biology, Chemistry, Discrete Mathematics, Integrated Math 1, Integrated Math2, Integrated Math 3, Probability and Statistics, Freshman English: Survey of World Literature, Sophomore English: Survey of American Literature, and Health.

Career Technology course offerings include: Building Trades, Business Education, Career Internship, Computer Sciences, Culinary Arts, and Vocational Automotive. Some of these courses receive dual credit at local colleges. In addition to Career and Technology course offerings available on campus at both buildings, students are able to enroll in additional classes, many of which offer dual credit, at Wilco Area Career Center. Wilco course offerings include Fire Science, Veterinary Assistant, Game Design, Computer Technology, Cosmetology, Criminal Justice and Law Enforcement, Emergency Medical Services, and Certified Nursing Assistant.

Dual Credit Program: Through articulation programs with Joliet Junior College, College of DuPage, and University of St. Francis students are able to earn college credit in a number of academic and career and technical courses. These courses are available on campus at the East Campus and through the Wilco Area Career Center.

Seal of Biliteracy: Students may earn a Seal of Biliteracy by taking AP language courses, earning a minimum score of 4 on the AP exam and achieving a "meets or exceeds" status on state exams OR by achieving passing scores on language proficiency exams in the areas of reading, writing, speaking and listening and by achieving a "meets or exceeds" status on state exams.

"A Century of Traditions Shaping the Future"

College Attendance History

Traditionally, nearly ninety-percent of our graduates indicated they would be attending college. Of these graduates, approximately two-thirds matriculated to four-year institutions and the remaining students matriculated to two-year institutions. Other graduates went to Vocational/Technical schools, joined the Armed Forces, or entered into the workforce.

The following college list indicates those institutions attended by Lockport Township High School graduates over the last four years:

American Academy of Art - Arizona State University - University of Arizona - University of Arkansas - Art Institute of Chicago - Art Institute of San Francisco - Augustana College - Aurora University - Ball State - Beloit College - Benedictine University - Bethel College - Boston College - Boulder College - Bradley University - Broward Community College - Butler University - California Culinary Academy - Carroll College - Carthage College - Catholic University of America - University of Chicago - College of DuPage - Collins College - Colorado School of Mines - Columbia College - Concordia University - Cornell College - Cornerstone University - Culver Stockton College - DePaul University - DeVry University - University of Mercy, Detroit - Dominican University - Drake University - Drexel University - Eastern Illinois University - Eastman School of Music - Elmhurst College - Embry/Riddle Aeronautical University - Environmental Technical Institute - Estate University of Rio de Janeiro - University of Evansville - Flagler College - Florida Gulf Coast College - Florida Southern College - Florida State University - Grand Valley State University - Grinnell College - Harvard University - Holy Cross College - Illinois Institute of Art - Illinois Institute of Technology - Illinois State University - Illinois Wesleyan University - University of Illinois, Champaign Urbana - University of Illinois, Chicago - Indiana University, Bloomington - International Academy of Design and Technology - Iowa State University - University of Iowa - ITT Technical Institute - Jackson State University - Joliet Junior College - Kendall College - University of Kentucky - Knox College - LaGrange College, Georgia - Lake Forest College - Lawrence University - Lewis University - Lincoln College - Loyola University - Lyon College, France - MacMurray College - Marquette University - Mercer University - Mesa Community - Miami University - Michigan State University - University of Michigan - Middlebury College - Millikan University - Milwaukee Institute of Design - Milwaukee School of Engineering - University of Minnesota - Mississippi State University - University of Missouri - Monmouth College - Montana Wilderness School of the Bible - Moody Bible Institute - Moraine Valley Community College - North Arizona University - North Carolina A&T State University - North Central College - North Dakota University - North Park University - Northern Illinois University - Northwestern University - University of Notre Dame - Ohio State University - Olivet Nazarene University - Olney Central College - Pima Community College - Purdue University - Quincy University - Rend Lake College - Robert Morris College - Roosevelt University - Saint Xavier University - South Suburban College - Southern Illinois University - Southwest Missouri State - University of St. Francis - St. Mary's College of Notre Dame - St. Norbert College - St. Ambrose University - St. Joseph's College, Indiana - St. Mary's University of Minnesota - University of St. Thomas - University of Tampa - Tennessee State University - Trevecca Nazarene University - Trinity Christian College - Trinity International College - Tulane University - Valparaiso University - VanderCook College of Music - Wartburg College - Washington University, St. Louis - Waubesa Community College - Weber State University - Western Illinois University - Western Kentucky University - Western Michigan University - Westwood College of Technology - University of Wisconsin, Madison - University of Wisconsin, Stevens Point - Wyoming Tech - University of Wyoming - Yale University
