Dear LTHS Parents/Guardians,

We want to take this opportunity to ask you to participate in the Illinois State Board of Education's 5Essentials Survey, which provides a unique opportunity for parents across the state to have a voice in improving the student outcomes in their schools.

LTHS parents are being asked to take a 15-minute research-based survey which will begin on October 23, 2018 to February 15, 2019 to help identify strengths and weaknesses in our schools' climate and learning conditions. Please make sure you click **Submit Survey** once you have reached the end in order for your responses to be included in the survey.

Therefore, instructions on how to complete the Illinois 5Essentials Survey can be found at <https://survey.5-essentials.org/illinois>.

Please join us in the worthwhile endeavor and take this opportunity to add your voice to the survey results. Your participation is valued and will assist in school improvements and increasing student outcomes.

Thank you in advance for your time and as always, *GO PORTERS!*
