2018-19 School Calendar-Emergency Days

The 2018-19 School Calendar includes five emergency days in the event school is cancelled for weather or other emergencies. These dates are May 29, 30, 31, June 3 and 4.

To date, four days of school have been cancelled which requires utilizing four emergency days and extending the school year to June 3. In the event a fifth emergency day occurs, the school year will then extend to June 4. With these modifications, the end of the year schedule is as follows:

- Final exams for all students will take place on May 29, 30, and 31.
- The last day of classes for juniors, sophomores, and freshmen will be June 3, and if needed June 4.

Graduation remains on June 1.

If you have questions please contact your student's school.
