

# Lockport Township High School District 205 Foundation

Dear LTHS Staff Member,

As a member of the LTHS family, you have the opportunity to donate to the Lockport Township High School District 205 Foundation via payroll deduction. The Foundation, a 501(c)(3) organization, actively engages in fundraising to provide resources for needs not otherwise met by the district’s budget. Contributions directly and indirectly benefit students and faculty in the form of scholarships and mini-grants. We hope to expand these opportunities. Please consider donating to the Foundation as an investment in the future.

Similar to the United Way contributors, we will randomly select one name per month from the list of Foundation donors and award a “free” day off for that month. The drawings will begin September 1<sup>st</sup>. Please return the pledge form below to Business Office – Payroll Department as soon as possible to be eligible for the drawings. Thank you and good luck!

Sincerely,

*Dr. Robert McBride, Jr.*  
Superintendent

*Kate Deane*  
Foundation Director
