NOTICE OF APPLICATION OF HERBICIDE

Date: April 26, 2019

This notice is to inform you of the dates that we plan on treating the school grounds for weeds. We plan to treat the property around the East Campus along Seventh Street around to Farrell Road. We will also treat the property from Farrell Road and around the back of the school. The soccer fields inside the fenced in area will not be treated at East at this time. We will spot spray this fields when necessary. We will also put down a pre-emergent in the landscaping beds at East and Central. The small lawn around Central Campus will also be treated.

The herbicide application for this spring is scheduled to take place on **Sunday, May 5, 2019**. If you would like a copy of the SDS for the product we plan to use, please contact the Business office at (815) 588-8113. If it rains, the alternative date is Sunday, May 12, 2019.

The courtyards at East will be sprayed with Roundup on **May 4, 2019** at 7am. There is no school on this date.

The greens on the golf course are usually sprayed with a fungicide every other week from **May 13th to September 13th**. If needed, they are sprayed every other Thursday afternoon at 2:00 pm, weather permitting. A small sign will be posted on each green when the greens are sprayed.

Only if needed, spot spraying for weeds will occur on certain athletic fields when school is out. Signs will be posted when the fields are sprayed.

If you have any further questions or would like to see the Material Safety Data Sheets for any product used, please call the District office at (815) 588-8113 for additional information.

Best regards,
