Statement of Philosophy

Positive Experiences

Extra-Curricular activities at Lockport Township High School provide students with opportunities for success and UNFORGETTABLE MEMORIES.

In the history of extra-curriculars at LTHS, there have been many outstanding programs and individuals. Many conference, district, regional, and sectional championships have been won. Many teams have been state place winners. Many individuals have received awards at the state level and others have received national recognition. It is now time for you to add to this rich tradition. **What legacy will you leave...as an individual...as a teammate?**

Welcome to LTHS-one of the best programs in the state. Enjoy every minute of the experience because before you know it you will be an alumni wondering where the time went. While you are here remember our mantra—"good things happen to good people who work hard!"

Sportsmanship

Successful achievement does not occur by chance or by skill alone. There is another ingredient which cannot be measured, but is readily recognized by every parent, fan, sponsor, coach, or participant. It is a positive "ATTITUDE."

When a team or individual takes the position against an opponent this attitude is prevalent. This reflects the school's commitment, desire, determination, leadership...it reflects **CHARACTER**. These qualities create an ATTITUDE that produces championship performances and unforgettable memories for all concerned and ensures success in life outside of sports and after high school.

This is not a contract. The District reserves the right to make revisions at any time as solely determined by the District.

The IHSA and LTHS believe that sportsmanship is a core value and its promotion and practice are essential.

This code of conduct applies to all parents/fans involved in athletics and activities.

1. Parents/Fans will promote academic, emotional, physical and moral well being above desires and pressure to win.
2. Parents/Fans will teach, enforce, advocate, model, and promote the development of good character to include:
 - a) Trustworthiness
 - b) Respect
 - c) Responsibility
 - d) Fairness
 - e) Caring
 - f) Citizenship
3. Parents/Fans will respect participants, officials, opponents, and all other involved.
4. Parents/Fans will promote fair play and uphold the spirit of the rules in the activity.
5. Parents/Fans will model appropriate behavior at all times.

I have read and understand the requirements of this Code of Conduct and acknowledge that I may be forbidden from attending contests, performances or meeting/practices if I violate any of its provisions. I acknowledge that my signature on the back page of this booklet indicate that I have read and understand this Code.

We salute our students, parents, and fans who have demonstrated this positive ATTITUDE. Learning to win and lose in a proper manner is an important life lesson to learn at LTHS.

Extra-Curriculars are a Privilege

Participation in student activities and athletics is considered an extension of, but separate from, the regular school program. While the regular program is a right afforded to each student, participation in athletics and activities is a privilege. This privilege asks students to meet certain expectations beyond those found in the traditional classroom setting. Since participation is a privilege, the school has the authority to suspend or revoke this privilege for those who do not conduct themselves in a responsible manner as determined by LTHS. Nothing in this handbook or Code of Conduct is intended, nor shall it be construed, as creating any right, contractual or otherwise, to participate in student activities or athletics, or to any procedure or process in connection with any suspension or revocation of the privilege of participating in student activities

This is not a contract. The District reserves the right to make revisions at any time as solely determined by the District.

or athletics.

Expectations and Responsibilities

Participation in extra-curriculars carries with it certain responsibilities. Students owe it to themselves and their teams to strive for the best possible educational experiences while at LTHS. Educational and extra-curricular experiences prepare students for future endeavors. All students involved in extra-curriculars are expected to abide by all school rules and regulations as outlined in the Porter Planner Student Handbook and the IHSA 2014-15 Athletic Eligibility Rules and Regulations (also in the Porter Planner). Compliance is required year round and regardless of whether the particular sport or activity is in season or not.

Team Concept

Spirit and unity begin and end with each individual. Students must be proud and happy about school and team accomplishments. Championships are built around students who are unselfish toward their teammates in and out of school. It is imperative that the participants and parents support the team concept by putting the team before self-interests. LTHS has achieved 15 state titles and numerous top four finishes because athletes, parents, coaches, teachers, administration, and communities have all been united toward achieving team goals. We need to continue this sense of unity and solidarity to maintain the level of success we have enjoyed. How will you answer the questions: "Can the team count on me?" and "Are my actions supporting the coach and the team?" A team meeting for both parent and athlete shall be held in order to review and explain specific sport team rules, regulations, and guidelines.

Attendance

Students shall attend school daily and adhere to the specific attendance requirements for each activity/sport. We firmly believe that for students to attain their fullest potential, daily practice is essential. Non-attendance may result in suspension from contests and/or dismissal from the team. Additionally, students shall NOT be allowed to participate in contests or practices unless they have attended at least a half a day of school (4 periods).

Academics

- It is an Illinois statute that students meet academic requirements in order to be eligible for IHSA competition (No Pass, No Play). All students participating in IHSA at LTHS must be passing five (5) classes (2.5 credits including P.E.). Initial eligibility shall be checked at the beginning of the semester. Any athlete who did NOT pass five classes shall be ruled ineligible for the entire next semester.

This is not a contract. The District reserves the right to make revisions at any time as solely determined by the District.

- Additionally, weekly grade checks shall take place during the season. Participants must pass five classes each week to be eligible to compete. Those NOT passing five classes shall be suspended for the entire following week. Thus, the grade report on Friday shall be applied to the following Monday-Saturday playing schedule. Participants who are ineligible due to academics shall be expected to practice and follow all team rules as per each Head Coach/Sponsor.
- All students are strongly encouraged to: complete assignments on time, do quality work, seek help immediately from the instructor or a classmate when having difficulty, inform a coach if seeking help after school, schedule home study time and stick to it.
- Parents are encouraged to check homework, require and review the Porter Planner with your student, review progress reports and check grades and attendance on-line at lths.org., dialogue with teachers, attend conferences, and sign up for Parent Portal at lths.org.
- NCAA Clearinghouse:
As a prospective college student-athlete at a Division I or II institution, you have certain responsibilities to attend to before you may participate. Information concerning who needs to register with the Clearinghouse and what documents should be submitted can be found in **The Guide for College-Bound Student-Athletes** (see General Information Menu).
https://www.ncaaclearinghouse.net/NCAA/student/index_student.html
ATTENTION: All prospective student-athletes intending to enroll in an NCAA Division I or II institution for the first time on or after August 1, 2007 must complete the NCAA Amateurism Certification questionnaire. The LTHS Guidance department has all materials you need to get started. See your counselor or the web site above.

Removal from a Team

Athletes who quit or are removed from a team are not allowed to participate in another sport during the same season. The exception would be the student who is advised by the coach to participate in another sport because of lack of aptitude for the current placement.

Transportation

- All athletes are expected to use district transportation to and from events. This is an excellent time for coaches and players to communicate informally and build team cohesiveness that is a vital part of the athletic experience. Should there be an emergency; an athlete may be released only to their parent/guardian. Athletes shall never be released to someone other

than a parent without prior written permission.

- Activity busses shall run each day. Coaches shall end practices so that students can use the activity busses. Check with coaches for exceptions to these times.

Communication

- Good communication is paramount for a successful experience. **Mandatory parent meetings** are held at the beginning of each sport season so that the coach may review rules, expectations, and other team rules and guidelines. The coach shall also provide phone numbers and provide the best method to reach him/her.
- We have also launched the LTHS Athletic Web Site at <http://www.athletics2000.com/lockport/> You can also access the site through the school web page at www.lths.org Here you will find all essential information such as schedules, scores, stories, mandatory forms, directions to away sites, cancellations, postponements, changes, articles of interest, character education, and much more. We encourage your feedback in order to improve the site. Call or e-mail the Athletic Office with suggestions.
- As with everything we do, we believe in the primacy of “teachable moments.” When students are having an issue, we need to seize this opportunity to teach life skills to resolve conflict. Therefore, we expect students and parents to follow the “**chain of command**” when dealing with issues. 1. Student contacts the coach; 2. Student contacts the Head Coach; 3. Parent contacts the coach; 4. Parent contacts the Athletic/Activities Department; 5. Parent contacts Principal. If these steps are followed, concerns shall be heard by the appropriate person in the proper venue and resolution will follow.

Medical Concerns

- Our first priority at LTHS is the safety of our athletes. We take precautions to ensure that safety. The Athletic Department and coaching staff understand that sports related injuries occur. **If an athlete is injured, he/she must report to an athletic trainer!** We have certified athletic trainers on staff who can effectively deal with injuries.
- Should an athlete see a physician, he/she must have a **WRITTEN RELEASE signed by that physician** allowing the athlete to re-

sume participation. If a student is excused from P.E. for medical reasons, he/she may not participate in athletics until released by a physician.

- Athletic participation has **inherent dangers and risk**. Even when competition and practice is within the rules of the sport and athletes are following the instruction of the coach, catastrophic injury may still occur. These injuries may include, but are not limited to: serious head, neck or spinal injuries, complete or partial paralysis, brain damage, or death. Serious injury to any of the internal organs, bones, ligaments, muscles; tendons or other aspects of the musculoskeletal system are possible. The injuries that may occur may affect an athlete's future ability to: 1. participate in athletic programs and recreational activities, 2. engage in other business or social activities, 3. earn a living. To attempt to avoid the possibility of injury, athletes should follow the instructions of the coach and athletic trainer at all times regarding techniques, training and team rules; always participate within the rules of the sport.
- An IHSA **pre-participation physical examination is mandatory** for all students wishing to participate in athletic programs at LTHS. Incoming freshman may use their school physical to satisfy this requirement. Physicals are **valid for 13 months** and must be renewed each year in order to participate.

IHSA Random Drug Testing

Beginning in the 2008-09 school year, the IHSA will conduct a random drug testing program for those things on its banned substance list. Students and parents must sign a consent form in order to participate in IHSA activities. A complete review of the program shall be given as part of the mandatory parent meeting each athletic season.

Extra-Curricular Code of Conduct

Application

1. This code shall apply year round to all students who participate in extra-curricular athletics and activities, it is not a seasonal code.
2. Violations are accumulated throughout a student's career at LTHS; thus the number of violations carryover from year to year as the student progresses from freshman to senior status.
3. Students who violate the code must serve the penalties as outlined herein and/or complete prescribed programs as outlined prior to re-entry into extra-curricular activities.
4. When suspended from an activity/sport, students must nevertheless practice, unless barred from practice as part of their disciplinary action, and follow all rules and regulations for the sport/activity if they intend to

rejoin the team/squad .

7. If a code suspension cannot be served completely during the current activity and sport, the remaining portion of the suspension shall continue to the next activity and sport season in which the student participates.
8. Failure to sign the Code of Conduct does not exclude a student from being held accountable for the rules and regulations of this policy. Those choosing not to sign the Code shall not be allowed to participate until a signed document is on file .

The Extra-Curricular Code of Conduct cannot anticipate every circumstance that may occur and, therefore, the District reserves the right to revise, supplement, deviate from or rescind any provision or portion of the Code from time to time as it deems appropriate in its sole and absolute discretion. The District will endeavor to post the most current version of the Code on the athletic web site and also make copies available in the Athletic Office. It is the responsibility of the student/family to check for updates and be aware of revisions regardless of the sport season in which they are active.

Violations

The following rules apply regardless of whether the conduct occurs on or off school property; before, during or after school hours; and apply year round regardless of whether the student's sport or activity is in season or not:

Internet Sites, Blogs , Facebook, etc.

The LTHS Administration feels obligated to warn students and parents about the dangers of personal web sites like Facebook and Instagram. These sites are potentially very damaging and can have the following affects:

- Identity theft
- The site can show up in background checks when seeking employment
- Information and pictures posted on the web may never be deleted
- The site allows access by sexual predators and cyber stalkers.

Further, if images or blogs are found to violate the LTHS Code of Conduct outlined above, students shall be dealt with accordingly. Be very careful and remember that today's technology (like camera phones etc.) make it very easy to be caught off guard. Make good choices!
