

**Lockport Township High School District 205
MEDICAL ALERT TO: PARENTS**

DATE:

Dear Parent/Guardian:

This letter is to inform you that a student(s) in your child's homeroom have severe food allergies to: _____ Exposure to these allergens could cause a life threatening reaction.

It is our goal to ensure that every student in our school is safe. Because these students cannot be in contact with foods containing this/these allergen(s), we are requesting that you not send these foods to school for snacks or treats.

Even trace elements of these products could result in a severe allergic reaction. Sometimes these elements may be hidden in processed foods. Please refer to enclosed food allergy basics and ingredient information.

Please discuss the following with your child:

- Do not offer, share, or exchange any foods with other students at school.
- Hand washing with soap and water, after eating, is necessary to decrease the chance of cross contamination on surfaces at school.
- If your child rides the bus, remind them that there is a "no eating on the bus" policy.

Thank you for your consideration and help in this matter. If you have any questions or concerns please call.

Sincerely,

School Nurse
